

Whore? WTF?? I am a Fancy Girl!!!

Beggar came to the Foreralio looking for a girl with a Yandere trait but didn't find one so he picked Boa Hancock randomly.

Getting ready for some action with Boa, he became violent and threatened to beat the shit out of your girl.

Kurenai responded to Boa's calls for help!

Not being impressed with your security at all, client decided to attack your guards!

But He was defeated and was given a choice to pay up or face the authorities. Customer didn't have the funds to pay you off and after many cries for mercy, was handed over to the authorities to face an uncertain fate.

Taking a walk in the garden had a very positive effect on your girl!

She spent her time enjoying sunbathing as well as receiving envious and admiring glances on a local beach. Too bad you were too busy to join her.

She is now both well rested and healthy, so she goes back to work as Whore!

Whore? WTF?? I am a Fancy Girl!!!

Merchant came to the Delious Enjoyment looking for a girl with a Exhibitionnist trait but didn't find one so he picked Rangiku Matsumoto randomly. Improved rooms interior with an exotic sexual theme were much appreciated by your girl and her client.

Client was in the mood for a blowjob. One would think that sucking cock was rocket science. Her poor performance was however saved by the fact that she is not bad looking.

And there were 'whores' :)

Peasant came to the Foreralio brothel. Not wanting any kind of girl in particular he went for Boa.

He pushed Boa on her back, shoved his cock in, screaming: 'Oh, Your pussy is wrapping around me so tight!'

Your girl barely knew what she was doing. Her looks were not likely to be of any help to her either.

Still, the customer explained that he preferred fucking her over a horse. Hearing that from him however, was not encouraging for your girl at all...

A total of 37 Gold was earned!
